The Board held discussion about having more community support for the project. There is an account set up at Byrd Memorial for anyone who would want to donate. Ms. Bowen mentioned that the stone could be bigger if there were more donations.

Jeff Schuele, Executive Director of Live Well, Live Atchison, appeared before the Board on the Zoom platform with a presentation on updates for Live Well, Live Atchison, along with the Robert Wood Johnson Foundation 2021 County Health Rankings. ***County Counselor Updates:**

The County Counselor was absent from the meeting.

***Public Comment:**

Michael Kuckelman, appeared before the Board via the Zoom platform. He reminded the Board that he was previously on a meeting expressing concern about transparency in government, and asked the Board to consider combining the morning work session with the afternoon meeting. Mr. Kuckelman feels discussion occurs during the morning meeting; therefore, people don't understand the reasons the Boards votes as they do since they don't have the context of the discussion. His concern is a comment that was made during the unrecorded morning session stating that the meeting wasn't a public meeting. Chairman Bower stated that the morning session is a public meeting, but there was no public comment section during the work session.

Bills were presented to be signed.

Add, abate, escapes for real estate and personal property taxes were presented to be approved.

Commissioner Noll made the motion to adjourn at 1:54 pm. Commissioner Quinn seconded the motion. Chairman Bower called for a vote, all voted aye. The motion passed 3-0.
