NOW THEREFORE, BE IT RESOLVED, THAT:

1. It shall be unlawful for any person or business to burn solid waste unless a variance has been obtained from the Department of Health and Environment of the State of Kansas, and after the obtaining of the permit from the Department of Health and Environment of the State of Kansas, The county before allowing open burning, shall allow the same only if such open burning shall be in the best interests of the public health and welfare;

2. Except as hereinafter provided, it shall be unlawful for any person to use or explode any fireworks, provided that the County Commissioners shall have power to adopt reasonable rules and regulations for the granting of permits for supervised public displays of fireworks by a jurisdiction, fair associations, amusement parks, other organizations or for the use of fireworks by artisans in pursuit of their trade. Every such use or display shall be handled by a competent operator approved by the commissioners and shall be of such character and so located, discharged or fired so as, in their opinion after proper investigation, not to be hazardous to property or endanger any person.

After such privilege shall be granted, sale, possession, use and distribution of fireworks for such display shall be lawful for that purpose only. No permit granted hereunder shall be transferable.

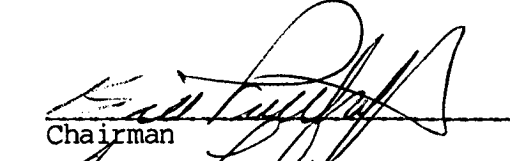

b. Any fireworks that remain unfired after the display is concluded shall be immediately disposed of in a way safe for the particular type of fireworks remaining.
