## News Release

Atchison, Kan – Beginning Friday December 18, 2020, Atchison County will offer Free drive-through COVID-19 testing. The testing site is located at the Atchison Event Center parking lot located at 710 S 9<sup>th</sup> Street, Atchison, KS 66002. Testing will be available 9:00am to 5:30pm, Monday – Saturday. Testing will be closed on Sundays, Christmas Eve, Christmas Day and is scheduled to be offered through Dec. 31.

The State of Kansas has partnered with GoGetTested.com to bring fast, easy accurate COVID-19 testing to all Kansans. You can set up an appointment to be tested at [www.gogettested.com/Kansas](http://www.gogettested.com/Kansas) or get in line at the facility. This test is the saliva PCR test and will be sent out for results, that usually take 48-96 hours.

You will access the facility by traveling east on Spring Street from U.S. Highway 73. The City of Atchison will be placing cones and barricades to assist with traffic flow to and away from the facility.

### Site Plan and Flow
